

CS RAMBLERS

PLYMOUTH: Wednesday 15 July to Wednesday 22 July 2020

Walks in Cornwall and Devon.

**FABULOUS WALKING ON THE SOUTH-WEST COAST OF ENGLAND
LED BY OUR CLUB COLLEAGUE GARRY GERRISH.**

Garry Gerrish, who has a second home in Plymouth, has kindly offered to lead a range of walks in Cornwall and Devon from 15 to 22 July 2020. Garry has organised similar walking holidays over a number of years and those involved thoroughly enjoyed the experience in one of the most stunningly beautiful areas in the UK. Devon and Cornwall offer everything that a walker could want: ancient paths and rights of way established by miners, fishermen and farm workers over the centuries; olde-worlde villages and bridle paths; bays and coves and cliff top walks with spectacular views, and don't forget the cream teas and Cornish pasties: it's all there waiting for us!!

ACCOMMODATION: There is a range of reasonably priced hotel/B&B accommodation options in close proximity to Garry's house, which, in turn, is within only a few minutes' walk of the Rail Station. Garry (email - *****) would be pleased to offer suggestions for convenient accommodation.

GETTING THERE: Probably the simplest way is to fly (Flybe) from Belfast City Airport to Exeter Airport, bus/taxi to Exeter St David's Station and then take the train to Plymouth. Currently flight costs are around £80 return (without bags and add-ons); bus/taxi fare is around £5 and rail fares around £20 off-peak return (but can be even cheaper as a group booking on the day).

The suggested travel itinerary is:

OUTWARD

Wednesday 15: Depart Belfast City (Flybe - BE 493) at 10.45: Arrive Exeter Airport at 12.05hrs.

RETURN

Wednesday 22 July: Depart Exeter Airport (Flybe - BE494) at 12.35hrs: Arrive Belfast City Airport at 13.55hrs.

Other flight options are available that are not direct.

Members need to make their own, individual arrangements for travel and accommodation and are, of course, free to vary the length of their stay in and around the core period of 15-22 July 2020.

Please let Denis Hamill (email - *****) know, if you intend to go on this holiday, so that we can keep a tab on numbers.
