## LONDON LIGHTS WEEKEND

FRIDAY 30<sup>th</sup> NOVEMBER - MONDAY 3<sup>rd</sup> DECEMBER  
2018

Our long-standing, London-based Club member, Garry Gerrish, has offered to organise a series of walks on his home patch over the above weekend in the lead up to Christmas. Garry frequently leads local club walks and can be guaranteed to provide an interesting and attractive mix of routes.

The outline plan is as follows:-

**Friday 30<sup>th</sup> (night);** an evening walk in London's West End, taking in the Christmas Lights of Oxford Street and even (whisper it !) providing a shopping opportunity, if time permits;

**Saturday 1<sup>st</sup>;** a walk outside of London; and

**Sunday 2<sup>nd</sup>;** a walk through the Royal Parks and the City of London.

**Monday 3<sup>rd</sup>;** to be arranged.

Note: Walking shoes, rather than boots, should be more than adequate for the walks programme.

### GETTING THERE

Members wishing to go on the weekend need to make their own transport and accommodation arrangements. Some members may wish to stay for more than a weekend and also may have relatives or friends with whom they wish to stay.

The following information (which is correct at present but obviously can change) is offered for guidance only to assist those requiring flights and accommodation. (The info is correct at present, but can be expected to change as time passes.)

### Flights

Garry travels to Belfast frequently and prefers the Flybe Belfast City Airport - London City Airport route. It is very convenient to his home, which is close to

Mile End Tube Station. It is likely that Mile End Station will be our meeting point at the start of our walks.

Flights; out Friday at 14.40 (BE1357) and back Monday at 19.45 (BE1360) cost approx. = £104; or if preferring to return on the earlier 16.45 (BE1358) flight = £124.

### Accommodation

The Brick Lane Premier Inn at 86 Brick Lane, London E1 6RL is convenient for Garry's home/walks and the cost of a room for 3 nights is currently £176.00 (Hub Saver rate). The hotel is approximately 30 minutes from London City Airport and 20 minutes from Garry's house near Mile End Station.
